| -Join professional organizations and participate in meetings to introduce yourself.  
-Begin to network; keep a list of your contacts.  
-Begin to investigate clinical sites and gather a list of possible choices.  Make sure you give potential sites a realistic idea of your timeline (12-18 months from Frontier Bound).  
-Begin to fine-tune your resume; allow Clinical Site Facilitator to review it with you if you need assistance.  
-Log on to Typhon’s preceptor and clinical site directory for first time to get acclimated. Select the Data Entry Log in; login-“Clinics” password-“Lookup1”  
-Explore resources in CB 101. | -Continue to make use of Typhon’s preceptor and clinical site directory.  
-Use the “overview map” interactive feature within the clinical site directory of Typhon. This site is also helpful: [http://www.midwife.org/rp/find.cfm](http://www.midwife.org/rp/find.cfm)  
-Become aware of your state’s particular regulations/laws, which can often change quickly.  
-Review resources in CB 101. | -Drop by practitioners’ offices and leave your resume and letter. Chocolates or another small token of appreciation can also go a long way.  
-Reference the letters of introduction we include in CB 101 so that you can begin to market yourself. Be sure to spellcheck and edit your letter; proper grammar and punctuation are a must!  
-Follow up on any calls and letters.  
-Review resources in CB 101. | -Meet with RCF to discuss clinical plan and site(s); you must get RCF approval on your clinical site.  
-Touch base with Clinical Site Facilitator if you are struggling on locating a site.  
-Submit Clinical Site Approval form (for each site) to RCF. Credentialing will determine what paperwork preceptor needs. Form(s) required before you can receive a Clinical Bound date from RCF. Submit no earlier than Term 4.  
-Review resources in CB 101. |
