Criteria for Membership

Current Members of Sigma Theta Tau International (STTI)
Members of STTI are eligible for membership in the Frontier Nursing Honor Society. Since members of STTI have already demonstrated academic excellence and/or leadership in nursing, they qualify for membership in the Frontier Nursing Honor Society.

Current Graduate Students
Current students are encouraged to apply. All Frontier Nursing University students (DNP, CNEP, CNM, CFNP, CWHNP and Bridge) students are encouraged to consider application for membership. The criteria for students currently enrolled at Frontier Nursing University includes all three of the following:

- Completion of at least 1/4 of the graduate nursing curriculum
- Possess a grade point average of 3.5 or higher
- Meet the expectation of academic integrity

Alumni
Alumni must meet one of two options to be considered eligible for membership:

- **Option 1:** Your grade point average from Frontier must be at least 3.5 on a 4.0 scale. And, you must also meet the expectation of academic integrity.
  
  - or -

- **Option 2:** Apply as a Nurse Leader. The criteria for Nurse Leader is described below.

Nurse Leaders
The criteria for eligibility as a nurse leader include:

- Be legally recognized to practice nursing
- Have a minimum of a baccalaureate degree or the equivalent in any field
- Demonstrate achievement in nursing. Achievement in nursing is demonstrated by activities such as innovative clinical practice; leadership in practice; research and research utilization activities; scholarly activities such as publishing and presenting for professional organizations; community based activities; teaching and educational administration; and mentoring colleagues and staff development.
